#10... Get the Support of Your CEO and Other Top Leaders

- Gain support from your top management. The support of your top leaders is crucial.
- Send out a personal letter of endorsement from your President or CEO. Enlist your company's leaders to speak at kickoff events and to support the campaign with periodic emails or letters to employees.

TOP 10 LIST FOR...

- Set the campaign goal for your company. Review your company's campaign history from past years, including total amount raised, participation rate, average gift and the strategies used during last year's campaign.

#9...Recruit a Committee

- Establish your committee by recruiting from all facets and levels throughout your organization. Remember this is your "action team." People who volunteer are involved because they want to be and will lend lots of energy to your campaign.
- Gain assistance from your Shelby County United Way Campaign Coordinator by inviting them to your meetings to help train your committee and plan your campaign.

#8...Review and Evaluate

- Review last year's campaign and any feedback you received.
- Determine if you have any employees who should be included in this year's campaign that may not have been included in previous years.

#7...Set Employee Goals

- Establish a timeline for your campaign.
- Plan your presentations, events, kickoff, activities, food and prizes.
- Assign committee tasks and establish target dates for completion.
- Decide strategies that you would like to improve and design activities around those improvements, such as early completion of investment cards, first-time donors, increased giving, etc.

#6...Publicize your Campaign

- Use posters, videos and/or brochures to promote the campaign within your company.
- Send email communications, or any type of internal communication that your company uses to raise awareness about campaign activities and events.
- Use social media to create or share photos and messages about Shelby County United Way's work.
- Create a section on your company's intranet to share information about Shelby County United Way and your company's campaign, linking it to Shelby County United Way's website (www.shelbycountyunitedway.org) or our Facebook page, @shelbycountyunitedway.
- Share how to pledge, when to pledge and what your pledges support.

#5...Conduct an Educational Campaign

- Develop an educational plan on how to educate your employees on the benefits of giving back to the community through Shelby County United Way.
- Conduct group presentations for various departments within your organization. Ask willing employees to share a story about their experience with United Way.
- Request a United Way representative or partner agency to present at an employee meeting.
- Emphasize the impact of Shelby County United Way and the positive changes their gift makes in Shelby County.
- Provide ongoing education to your new hires throughout the year.
- Inform retirees about the many ways they can continue to GIVE, ADVOCATE and VOLUNTEER when they leave the workplace.

#4...Promote Leadership Giving

- A *Leadership Giving* campaign is an effective strategy to increase contributions raised by your organization.
- Inform your employees about POWER, United Way's Women's Initiative group.

#3...Ask Everyone to Give

- Ask for everyone's participation but do not force everyone to give. Many people have not given in the past because they have not been asked. The level of giving should be at the employee's discretion.

...A SUCCESSFUL CAMPAIGN

- Include everyone, including active employees and retirees, when asking them to give.
- Thank everyone at the time of giving---offer a thank you card from your company.

#2...Thank You and Report Results

- Recognize individuals, groups and departments that went “above and beyond” during the campaign.
- Announce your final results to all employees through a communication from your CEO, or conduct a finale or celebration activity.
- If using pledge cards, collect all cards by the end of the campaign and schedule a pick-up with a Shelby County United Way staff member or volunteer as soon as possible. The earlier you turn in your organization’s pledges, the faster you can complete your campaign.

#1...HAVE FUN!!!

- Arrange fun and informative activities to engage your employees while they learn how to support our communities by GIVING, ADVOCATING and VOLUNTEERING.
- Post pictures of employees participating in these activities with lots of Thank You messages.
