## 2020 Campaign Update

We are extremely thankful to announce that we can project \$1,240,000 for our 2020 Campaign. We live an extremely generous community and are very blessed to be able to achieve this in these unprecedented times.

*Quote from Doug Borchers, President Superior Aluminum Products...*

"Hats off to the staff of the UW, board and campaign leaders for this accomplishment in the face of the biggest pandemic of the century. Some would have sit back and said "woe is us...when this thing gets over we'll get back at it" - not the Shelby Co United Way! As a business owner and fairly active member of the community, I want to say Thank You for the approach that you and your team have taken. It is making a difference for so many and provides a support structure for the employers and schools,"

# POWER Update
